Gene Barber

Dear Gene,
I have certainly enjoyed
knowing you Gene,
and I want to wish
you happiness and
success in everything
you do. Good luck
to a swell guy.

Your friend,
Barbara Coan

THE GYMNASIUM

America is entering a new and stimulating era of free ideas. We are not discarding what we used to like but are merely adding the best of the new to the best of the old, creating a fresh native taste. In designing this book we have endeavored to capture the spirit of this era that stems directly from a freedom loving and free thinking generation.

WACO HIGH SCHOOL

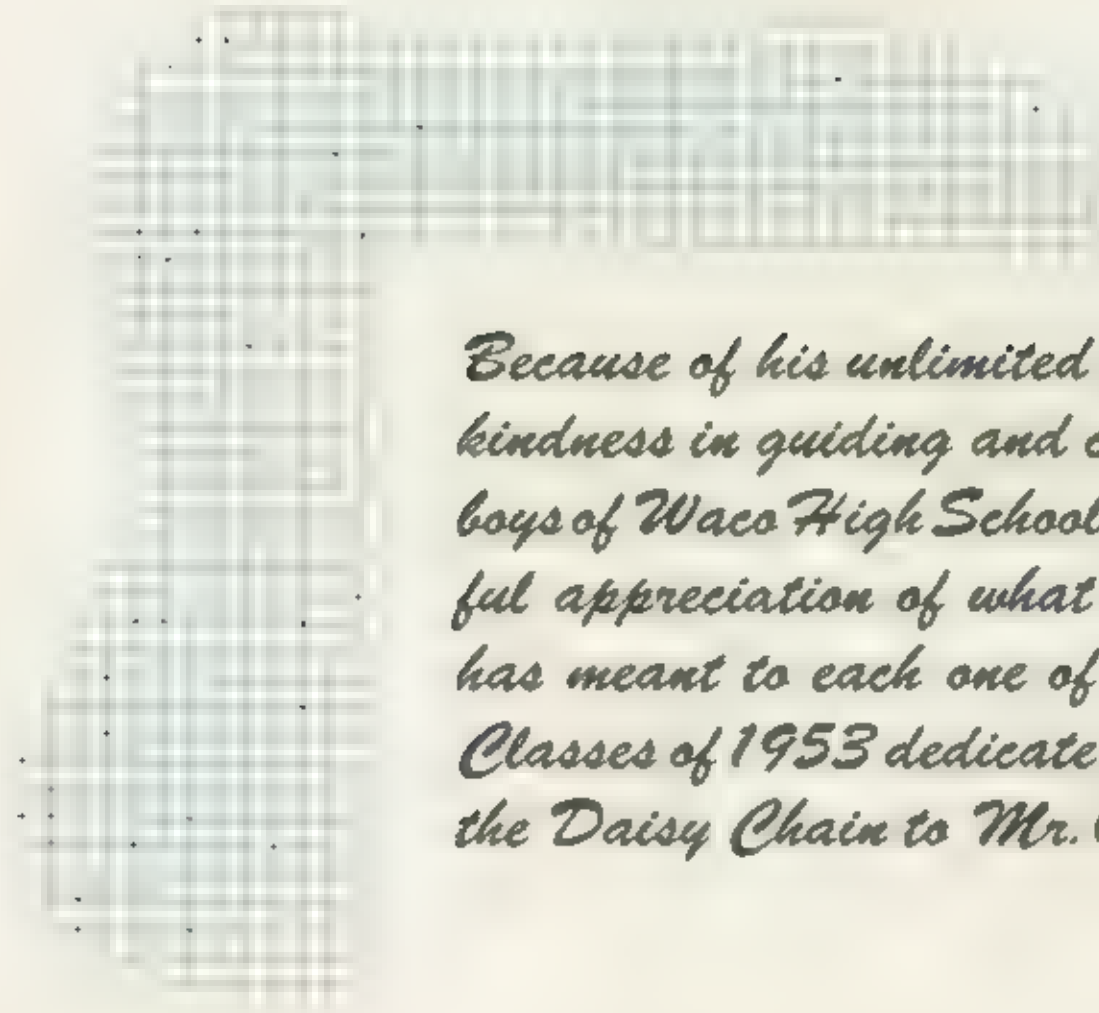

Mr. O. R. Lade

Assistant Principal

Boys Advisor

dedication

Because of his unlimited patience and kindness in guiding and counseling the boys of Waco High School, and in grateful appreciation of what his influence has meant to each one of us, we of the Classes of 1953 dedicate this volume of the Daisy Chain to Mr. O. R. Lade.

Row 1: Mr. Berry, Mr. Teeling, Mr. Smith, Business Manager Crews

Row 2: Mr. Williams, Mr. Winchell, Superintendent Denhard, Assistant Superintendent Downing, Dr. Dodgson

BOARD OF EDUCATION

One of the most important links in the Waco Public School system is the Board of Education. The members of the Board are Mr. Ed Berry, Mr. Walter Dossett, Dr. Howard Dodgson, Jr., Mr. Franklin Smith, Mr. Phil Teeling, Mr. Peeler Williams, Jr., and Mr. Oliver Winchell. Mr. Teeling is president of the Board, Mr. Dossett is vice president and Mr. J. T. Crews, business manager of the schools, is secretary. Superintendent Denhard is an ex officio member.

During the current year four new schools, Crestview Elementary, Kendrick Elementary, Sul Ross Elementary, and Kirk-Wilson Elementary, have been dedicated and are helping take care of the present housing situation. Realizing, however, that the shortage of school facilities will increase, the Board has laid the plans for a proposed three million dollar bond issue to construct new schools.

All of the Board members have contributed generously of their time and effort to the bettering of our schools. There has been nearly 100 per cent attendance at all the regular meetings and at a majority of the necessary special meetings. The Board of Education is interested and concerned with the problems that arise in the school system and in solving these problems.

We, the students of Waco High School deeply appreciate the efforts of these civic-minded citizens and thank them for the time and effort spent in our behalf.

Mr. Dossett and Mr. Crews

MIR. E. N. DENNARD, *M. A.*
Superintendent of Waco Independent
School District

The Waco Public Schools are fortunate to have Mr. Dennard as superintendent. Since he has been with us, Waco High School has enjoyed many improvements, and both students and faculty are grateful to him for his work in our behalf. His love and understanding of young people have endeared him to us, and we of the Classes of 1953 have come to feel that he has a personal interest in us.

MIR. A. R. DOWNING, *M. A.*

Assistant Superintendent of Waco Independent
School District

Though Mr. Downing has been with us a comparatively short time, in terms of work he has become a necessary member of our administrative staff. He has spent enough time in Waco High School to get thoroughly acquainted with our activities, and we have come to feel that he is interested in all of our school activities as well as our learning. We, the Seniors of 1953, appreciate his friendly greeting and his helpful attitude as he visits our classes.

MR. THOMAS L. WARE, M. I.

Principal of Waco High School

We all love our principal, Mr. Thomas L. Ware, and are grateful to him for his interest in our school and in us as individuals. Because of his careful planning and management and because of his understanding of our problems, our days in Waco High School have been happy ones. We especially appreciate the recreation program he has given us.

MR. O. R. LADE, M. A.

Assistant Principal, Boys Advisor

As our Boys Advisor and Assistant Principal, Mr. O. R. Lade is doing a wonderful job of helping boys with their problems. He also works with local merchants who need employees and Waco High boys and girls who want jobs. These duties, along with those he carries as Assistant Principal, do not keep him from being an enthusiastic participant in all our activities.

Thomas Taylor	Commissioner	Peggy Holmes	
Barbara Cox	Commissioner	Terry McGown	
Peggy Holmes	Commissioner	Charles Sadler	
Gail Smith	City Secretary	Jean Kay Stover	
Matt Miller	City Manager	Terry Bracken	

Student government was introduced in Waco High School in 1925 to give pupils practical experience and responsibility in handling certain school activities. Since then it has become affiliated with district organizations, the Texas Association of Student Councils, the Southern Association of Student Councils, and the National Association of Student Councils. This year a delegation from Waco High School attended the state convention in Lubbock in March.

Heck Turner, director of sports, reports that the government inaugurated the positive plan of football games this year. Another innovation was the first presentation of the Waco football team before the game with the other organization taking a victory march and making speeches. In addition to the regular sessions, the government sponsored a session at Austin, Texas, with its conclusion with the start of *The Homecoming*.

Members of the government aid in fostering school spirit through assemblies, dances, contests and elections. They arrange 2000 sports events between schools of our district by carrying out visiting activities. They cooperate with all efforts and their representatives making 2000 visits to other schools to invite students to games in Waco.

HOMEROOM REPRESENTATIVES

The homeroom representatives have great responsibility in forming a connecting link between the student body and the elected officials. They make suggestions for the improvement of the school and take information and suggestions from the representative meetings to the homerooms.

Representatives are in charge of all elections and drives carried on in homerooms and support school activities wherever and whenever their services may be required. Specific duties performed annually include securing P. T. A. members, selling government pencils and poll taxes, bringing cookies for school dances and parties, and assisting in activities connected with the all-school carnival.

The band played and performed for all football games and halftime shows, except at Brookridge in San Antonio. The only exception is included Coahoma. The band played at Dallas and Austin. A variety band played at the basketball games. Pep rallies and assemblies were also on the band's agenda.

Many parades, the Austin Day parade, Santa Claus parade, Baylor Homecoming parade and Community Chest parade, were followed by tired feet and aching backs.

The Band Day at Baylor was attended. The band was honorary band for Washington State University and performed at half-time in Baylor Stadium.

The annual band camp was held in March with Aubrey Bouck, Al Parsons, Edward Hoppe, Noel Jobe, Dave Kott, Don Nichols, Donald Robinson, Yvonne Dickey, Johnny Cawood, Helen Brackman and Bob Duce taking the All-Region Championship. Aubrey Bouck, Al Parsons, Johnny Cawood and Helen Brackman made the All-State band at Galveston.

The band gives a program in assembly each year and the program of March 5 was one of the best of the season. Another good concert in which the Waco High Band will participate is the Texas High School League Contest held in Waco on May 2.

 . . . Milton Higgins

The Senior Mixed Chorus is the representative choral organization of Waco High School. Entrance into this organization is based on competitive examination. The schedule of activities for this year has been full and varied. The chorus was chosen to represent this Region at the State Fair at Texas held in Dallas. Other performances and related programs for the Jaycees, Lions Club, Kiwanis Club, Rotary Club, and High School assemblies. In addition to these programs the Senior Chorus has supplied many soloists and ensembles for clubs and church organizations.

Again this year Waco High was proud of its representation in the All-State Chorus which met in Galveston. Fifteen of the thirty-two members chosen from this Region by audition came from Waco High School.

Other major musical projects for the year have included the production of the operetta *Meet Arizona*, participation in the annual Christmas program, the Bach Festival, a spring concert, and entrance in the Region Contest.

 Row 3: Fr. Raney, Kuehl, Johnson, Hanu

INTERMEDIATE CHORUS

Director: MR. KENNETH HOWARD

Three choruses, other than the Senior Mixed Chorus, complete the Choral Department of Waco High School. These are the Junior Girls, the Junior Boys, and the Intermediate Girls Choruses. Membership in the junior groups is extended to any student of Waco High School. No previous musical experience is required, but participation in music is of great benefit. These groups do three and four part singing, study vocal approach and development, and continue the study of basic theory of music.

After the completion of one year in a junior group, the chorus members are given a competitive examination by which entrance into the Intermediate and Senior Choruses is attained.

The Intermediate Girls Chorus expects its time to singing advanced three part songs, the study of music history and appreciation, and of elementary harmony.

Vergiel Hudson
Junior Assistants _____ Clyde Beal, Carolyn Cameron,
Walter Cox, Ronnie Lyon

The Daisy Chain is produced as a student activity. No credit is given for any of the work and all members of the staff give up a study period to serve in this capacity. Editor Hugh Henson directed his very capable staff in the production of this year's book. The book was planned and designed by Hugh Henson and David Martin, who also mounted all pictures, assisted by Ronnie Lyon.

All photography except the portraits and a few of the larger groups was done by the staff photographers. They also processed the pictures in the school darkroom.

Jack Saffle, Vergiel Hudson, David Martin, and the four junior assistants will serve on next year's staff. The experienced staff members are getting this year will make them valuable assets to the next staff.

The following faculty members worked with the staff: Miss Ruth Jean Hamilton as editorial sponsor; Miss Helen Dumont as supervisor of the photographers; Miss Doris Thompson as literary consultant; and Miss Altha Edge as art consultant.

Ernest Neelley

Junior Members Ancelyn Greene, Robert Jacobs,
Pat Kelly, Rick Robinson, Jerry Trim

The business staff of The Daisy Chain is responsible for the financing of the book. It is their responsibility to solicit all advertising, to assemble and edit the advertising copy. They have charge of the selling of coupons for the senior section, and they sell and distribute the books.

This staff is also organized as a student activity and no member receives any credit for his work. The junior staff members work as assistants to the several seniors to gain experience for work on next year's book.

Mr. F. E. Mohundro is the sponsor of the business staff. Faced with the problem of distinguishing between their two bosses, the staff members refer to Big Mo and Little Mo. Mr. Mohundro has worked with The Daisy Chain longer than any faculty member now on its staff, and much of the success of the book depends on his knowledge, and unfailing tact in dealing with people.

SPRING

The Debate Class of Waco High School, under the coaching of Mr. Bill Kitchens, participated in four out of town tournaments and their own Baylor-Waco tournament. During the fall semester the squad journeyed to Denton for a tournament there. Jerry Clemmons received a third place and a trophy for speaking.

The next tournament was the Baylor-Waco tournament. Several Waco High students placed in the individual events and Jerry Clemmons and James Sewell placed first in debate, a feat that Waco had not accomplished in nineteen years.

The second week of November saw the team on J. S. M. U. Forum. About two weeks later four teams attended the Freeport Speech Meet just prior to the Interscholastic Meet.

The girls team that entered the Interscholastic Meet was Mary Ann Craig and Martha Ann McGlasson. The boys' team consisted of Jerry Clemmons and James Sewell. Joyce Montgomery was the extemporaneous speaking entry.

As a reward for winning the Baylor-Waco tournament the squad was honored with a ranch party given by the parents of one of the members.

Students lettering in debate this year were Jerry Clemmons, Mary Ann Craig, Jeff Evans, Robert Jacobs, Martha Ann McGlasson, Sam Mohundro, Joyce Montgomery, and James Sewell.

SPRING

Since the organization of the Waco High School Chapter in 1940 the National Honor Society has played an important part in our school life. The main objective of the organization is to recognize those students who have achieved high marks in their scholastic records and in addition have contributed to the school through leadership, service and good character.

The Society of 1953 set a new record in the fall by having eighty-three members who fulfilled the requirements for admission into the society. Wayne Bateman, president during the fall semester, presided during the National Honor Society initiation assembly. The speakers were Betty Lee Montgomery, Scholarship Award, Good Character, Scholar Nelson Lee, Leadership, and Torrey Abbott, Service. As is customary, the Home-making Department served a coffee given in honor of the initiates and their parents.

One service the Chapter rendered during the fall semester was the participation in National Education Week. Several of the members gave speeches on education to the Wednesday clubs.

Future students were told all invited when the Chapter had their initiation assembly for the spring semester. Jack Kirkland presided for the spring semester, presided Joyce Montgomery, Nancy Davis, Johnny Wicker, their Dean and Tony Becker were the student speakers and Mr. Thomas L. Ware, principal gave an address. Following the assembly a reception was given in the little gym for the new initiates, their parents, and old members.

Courtesy is put in among the National Honor Society members to have interests other than books. Members participate in all school work on the Day, Clean and Water sports and take part in speech contests and student government activities.

Sullivan, Dean, Oaktree, Magee, Combs, Tindell

Student Library Assistants are on duty at the Reserve Desk, the Fiction/Day Desk, and the Attendance Desk and assist with the checking out of books and with all Library routines. This is a great opportunity to learn library procedures.

One-half credit can be earned for a year's work in the library. Experience as a library assistant affords an opportunity for career planning in the field. Many student librarians feel that knowledge of library organization and techniques is most valuable.

Library assistants are members of the state-wide Teen-Age Library Association. This organization is sponsored by the Texas Library Association. Waco High usually sends representatives to the annual T. A. L. A. meeting. Climaxing each year's work a social is held honoring the library assistants who are members of the spring graduating class.

OFFICE ASSISTANTS

Sponsor: MISS GRACE HAMILTON

The office assistants of Waco High School render a valuable service to the school in the various school offices. Some operate the switchboard, others assist in the attendance and registrar offices, and others serve as secretaries to the coaches, manager of school activities and to the director of distributive education. These students work one hour a day without credit or special recognition.

The office assistants show their willingness to serve by making application for a position. The applicants are carefully screened and are chosen on the basis of dependability, scholarship, and on recommendation of their teachers. Besides being of service to their school, the office assistants get real experience in dealing with people and in performing routine office duties.

Back row: J. L. Stewart, N. L. Stewart, M. L. Stewart, S. L. Stewart, A. L. Stewart, G. L. Stewart, W. L. Stewart, R. L. Stewart, E. L. Stewart, D. L. Stewart, C. L. Stewart, B. L. Stewart, F. L. The Girls Athletic Association, sponsored by Miss Emma Morehead, is composed of 12th grade girls who are selected on the basis of scholarship, interest, ability, and personality from the 11th grade physical education classes. These girls assist in the P. E. classes. Each girl has a certain duty for a month at a time and then rotates to another duty. There are 28 members at the present time.

Besides assisting in the physical education classes, G. A. A. is an organized club and participates in school activities. G. A. A. gives experience to girls who plan to teach. It gives them an understanding of all phases of physical education while assisting the P. E. instructors. Through this assisting the girls are able to decide if they want to go on with teaching as a profession or not.

The membership of Waco High School P. T. A. is of the largest membership it has ever attained. The programs for the year have been presented by the departments of practical arts of the high school. The projects of the P. T. A. in this school strive to aid in the scholarship fund. The cooperation between the faculty, the students, and the P. T. A. on any project undertaken is the contributing factor to its success. The project to raise money for the year was a Variety Show held March 5, in the Waco High School Gym.

SPRING

The Architecture Club's new year is off and running. The club sponsor, Mr. E. A. Werner, makes the activities especially interesting with his knowledge of architecture.

The club has several field trips during the year. One was to the Y. M. C. A. building to meet the architect. Another was to the D. B. Print Company where the members were shown the various methods of making blueprints.

In the future, it is quite interesting by building different types of houses or the backbones to which each member adds something until the house is completed.

Mr. Werner believes that the best sponsor is not a member of the club and so participates in the activities carried out by the club. Mr. Werner's suggestions for field trips and the program chairman works the suggestion up into a nice program. The members take part in the programs and are given an opportunity to learn more about architecture. The club's most interesting program is to take the members around the city and look at the architecture. In doing this, it has been found that one building has almost every type of architecture somewhere in it.

A black and white photograph of a group of approximately 18 young men, likely a sports team, posing in front of a building with large windows. They are arranged in two rows, with some standing and some kneeling or sitting in the front. The image is grainy and has a vintage appearance.

The Camera Club had a varied schedule of activities for the spring term. Field trips were made around the school campus and to the park to take pictures. Several speakers were scheduled to speak on different phases of photography, and also to demonstrate old and new types of cameras. Members of the club learned to do their own developing. This was a brand new experience for some, who had never experimented with developing equipment before.

Highlighting the club activities for the spring term was the Natural High School Photography Awards Contest held each year from January to April. Members of the Camera Club made pictures with this contest as their primary goal. The pictures made were classified in one of the four divisions: Boys and Girls, Young People, Scenes, and Animal Life. The prizes in this range from \$5.00 to \$25.00 first prize.

SPRING

The Civil Air Patrol, though relatively new to the annals of Waco High School, has increased appreciably in membership and popularity.

The purpose of the Civil Air Patrol Club is to further the trend toward an air-minded America. With the assistance of Mr. Hall, the sponsor and guiding hand, the club has had another successful year.

The club programs, believed by many to be the best in Waco High School, are following a set pattern. A film is shown every other week. These films are on subjects pertinent to aviation and are obtained from James Connally Air Force Base. On the alternating weeks there are discussions on aviation in general. Occasionally there are model airplane contests.

The Civil Air Patrol Club was born in the minds of several students in September, 1951. With the assistance of Miss Grace Hamilton as our first sponsor, Mr. Evans, the club was organized. Though there were but fifteen members to start the club, the membership has now risen to twenty-five with more members in prospect.

The Contemporary Writing Society was organized in the spring of 1952. Even though it is a young club, its activities are many. To become a member, a student must have a 70 average and maintain that average throughout his stay in the club.

The purposes of the Contemporary Writers are to further interest in literature in Waco High School, to provide professional training in the technique of writing, to improve and establish literary standards for the use of the student body, and to establish an atmosphere of congenial companionship for the talented writers of the school.

The club with its writings supports and contributes to the *Literary Lighthouse* and the *Warren* Programs consist of speakers, reports, reviews, criticisms, and readings of fine literature and poetry. At the end of each semester, members who have reached certain standards are eligible to receive pins.

The main project for the year was Book Review Week. Members of the club presented reviews of books to various clubs and classes of Waco High School.

The Darden Literary Society is a group of girls who compose the Girls Service League. During the year it has taken part in all League activities.

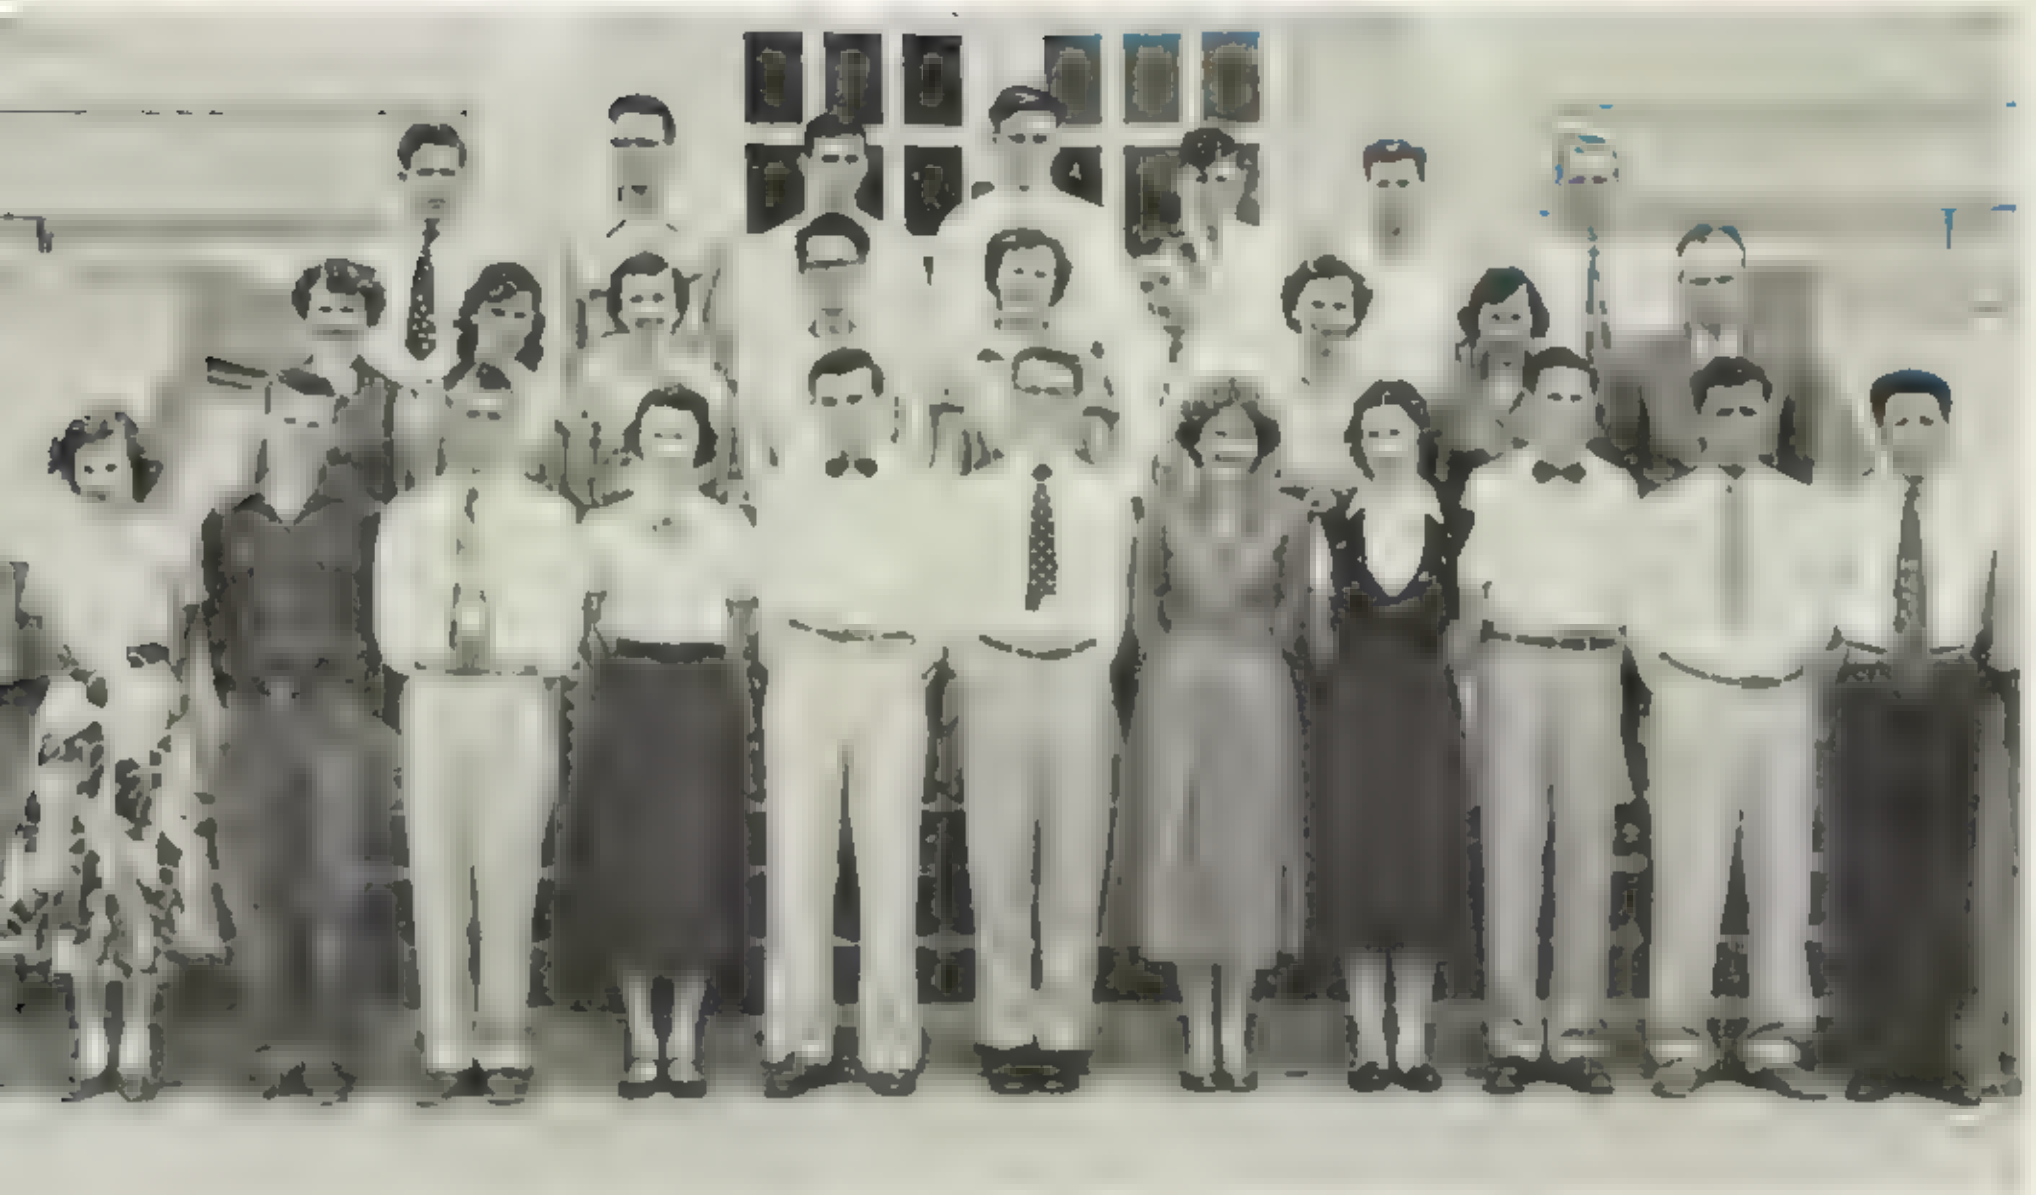

Aside from entering literary contests, Darden sought varied service projects. As the main project of the year, boxes containing soap, clothes, towels, toothbrushes, writing materials, and sewing supplies were sent to a Korean orphanage. Food was sent to needy families during Thanksgiving and Christmas, and a Thanksgiving dinner was served at the Old Ladies Home.

A book drive, sponsored by Darden, supplied the Gainesville Girls School with needed reading material. A book was presented to the Gainesville Settlement Home. Scrapbooks were made for the patients at the Veterans Hospital, and a collection of funny books was donated to the Crippled Childrens' Hospital. American Legion poppies and tuberculosis seals were sold by the girls of Darden. Halloween and Valentine parties were given for the children at the Evangelia Home.

The Distributive Education Club Chapter 51 was organized in October 1947. Membership is open to any student who is interested in Distributive Education.

This club is a member of both a State and National organization. Once a year there is a State Convention of the Distributive Education Clubs of Texas to which the Waco Club sends delegates. This year the Seventy Annual Convention met in San Antonio in February. The Waco club was represented by Betty Ann Dudley, Jerry Cooper, Jerry Murphy, and Jerry Sullivan as delegates. From the students attending the State Convention state officers are elected and delegates are selected to go to the National Convention.

The purpose of the D. E. Club is to aid in the development and growth of its members in the business field. The creed of the club is based on good business ethics and emphasizes the importance of honesty and integrity in the field of distribution.

The English Literary Society, composed of all students making a grade of ninety-seven in English at least one term and maintaining an average of ninety in all subjects throughout the semester, met twice a month during the school year to promote literary activities.

Literary Lighthouse, the main project of the society, received support from all students at the school in tested in creative writing. Committees to judge essays, short stories, poetry, and humorous contributions were selected from the club during the business meetings. Baylor University faculty members judged the contributions selected by committees. The society sponsored a fall and spring issue of the magazine.

It has always been a goal of Forsgard to bring happiness to others. This goal was carried out by making cartoon scrapbooks for the Veterans Hospital and place cards for the patients at Hullerstrom and Provident Hospitals at Valentine, St. Patrick's Day, Easter, and Mother's Day.

Some of the smaller projects included weaving blood samples at the Red Cross Blood Bank, entertainment at the Loney Migs. Center, participation in the Thanksgiving baskets, and visiting at the Mayberry Rest Home.

The Forum Debating Society has enjoyed an extremely successful year, thus upholding the traditions established by this club. In their annual literary contests with the Rostra Literary Society, Forum has won first and second places in all contests held to date. With great expectations Forum hopes to sweep all the remaining tournaments and smoke the cigars at the highlight of the year—the Rostra Forum banquet.

The outstanding social event of the year was a hayride and weiner-roast in January, when the Forum "Debaters" and their dates enjoyed an excellent party.

Under the kind and patient leadership of Mrs. David Wood, their sponsor, the club has planned some fine and worthy projects and will continue its growth in size and literary achievement.

Membership in the Waco High School Chapter of the Future Homemakers of America is limited to students who are taking or have taken courses in homemaking.

Our chapter has affiliations with the state and national organizations. Waco High is honored to have an area First Vice-President, Yvonne Dickey, and a District III Treasurer, Joyce Stone, among the approximately 100 members of its chapter. Yvonne was also named the most outstanding F H A member in District III and was presented a medal by Kiwanis Club.

Each homemaking class meets in unit meetings every third Friday and the units meet all together for a chapter meeting the first Wednesday of each month.

The girls participate in worthwhile projects, such as: compiling cook books, making greeting cards and preparing World Friendship packages. They also enjoy frequent social get-togethers.

For more information, contact the Future Homemakers of America Chapter, Waco High School, Waco, Texas. Or write to the National Future Homemakers of America, 1000 North Main Street, Waco, Texas.

The purpose of the Future Nurses Club is to help the prospective nurse understand nursing as a vocation. Each field of nursing is studied and discussed as to training, services rendered, opportunities for advancement, and salaries paid. Outside speakers, films and discussions bring this information to the group.

Working with the two Weaco hospitals in their nurses recruiting program, the club has helped in organizing several nurses clubs in District 10, and over the state. They have appeared on radio programs and have assisted in sending out literature to other high schools in the district. Students may go to the hospitals on Saturdays and go through the day with a nurse, thus giving the student a better understanding of nursing.

The club is divided into groups, each group being responsible for one program.

Future Nurses Club is open to both boys and girls interested in nursing as a profession.

The Future Secretaries Club has attempted to give some insight into the many duties, responsibilities and opportunities of a student body secretary. This has been done by demonstrating tasks by the girls, talks by the sponsors and talks by experienced secretaries.

Some of the secretaries' experiences were in the rules of law, a course in secretarial work and in secretarial procedures. Because of the importance of the correct handling of the problems that come up in connection with the use of the telephone, we had several programs on telephoning.

The party at the end of the term was held in the cafeteria and was a most enjoyable occasion.

The Future Teachers Club of W. H. High School was organized September 17, 1952 with fifteen charter members. It is a professional club open to students who are interested in exploring the teaching field. The club seeks: (1) To encourage young people to cultivate in themselves the qualities of personality and character which are the foundations of successful teaching. (2) To acquaint young people with the story of the development of schools, the part free schools have played in our democratic way of life, the pioneering associated with their expansion. (3) To provide young people with specific information about opportunities in the field of education.

The club is working on worthwhile projects. In addition to studying the lives of great teachers and examining opportunities in teaching, the members visit other schools and have experience in actual teaching.

The Garden Club was first organized in 1928 for the purpose of interest in the growth and arrangement of flowers. This club is open to both boys and girls. During the term, the members of the club enjoy listening to speakers, including members of the various garden clubs of Waco, making flower arrangements and corsages, viewing slides, decoration parties, taking part in special programs presented by their own group and participating in many other interesting activities.

At the last activity of the club, the story of Christmas is celebrated, the making of Christmas decorations, cards, and testaments and a ble festivity. These Christmas arrangements are judged and awarded ribbons.

As a member of the Girls Service League, Genheimer is ever striving for a higher goal of service. This year Genheimer had two main projects. A room at the County Poor Farm was completely redecorated as living room for the women, and continuing the large project of last year, three ~~depressed~~ children were clothed.

The main money making project for 1952-1953 was the Genheimer Review. Every girl in the society participated in its production on December 4, 1952.

Other Genheimer projects were a Halloween party for the Joy Stamps Negro Nursery, a program for the Waco Girls Club, and the donation of a package every month for Korean relief.

The Key Club of Liberty Kiwanis Club is the only boys service club in Waco High School. Our sponsor is Mr. Herb Wise, who is head of the Key Club committee for the Kiwanis Club.

The Key Club for the past year has been more and more active in school service work. Our club has sent delegates to the International Key Club Convention and also to regional meetings. The club has performed many interesting services as its activities. Members collected money for the March of Dimes, worked for the Toy Chest, helped to raise money for the first lawn, cleaned and repaired the trophy cases, and worked with the Boy Scout Camp. The club is now planning to donate a lamp to put in a Negro orphanage. Also the boys will be working on a project to make a Waco High School and it has purchased a stamping machine which puts names on fountain pens, leather goods, and many other items.

The Key Club is really very successful today, and its members agree that it has been growing better and better every year as it has broadened its activities.

The Music Appreciation Club was organized in the fall of 1947 for the purpose of educating Waco High School students in the history and appreciation of music. Since that time it has been able to carry out its purpose. It is easy to understand the purpose and activities of this organization.

Each member is richly better acquainted with good music and introduced to the great artists. This cannot be done in any other way. Swing, jazz, and boogie are also recognized. This is all done by means of records and tape recordings.

Not only does it educate but it is fun and interesting. It also takes part in all inter-school contests and is one of the most educational and enjoyable clubs offered to Waco High School pupils.

Under the capable guidance of Mr. Lyle Skinner and Miss Martha Leuschner, Music Appreciation has had a most successful year.

newcomers

NEWCOMERS CLUB

Sponsors: MISS GRACE HAMILTON
108 HOMEROOM TEACHERS

President _____ Dan Myers
Vice-President _____ Barbara Anderson
Secretary _____ Lucy Collins
Treasurer _____ Phillip Bivona

The mainstay of the Newcomers Club is made up of all the first-term F.R.'s in Wake High School. The club functions only in the fall semester. Its purpose is to help the newcomers become familiar with the traditions, customs and regulations of the school, and to get acquainted with its organizations, student leaders, and faculty.

This organization of the club is accomplished with the help of committees representing all the club homerooms, and the programs are planned and presented by these homeroom units. At each meeting representatives from two or three of the other school clubs appear before the Newcomers, tell about the activities and prerequisites for membership of their clubs, and make a bid for new members.

The climax of the club's activities is the year-end barn party held in the Gym. This year the party featured games, a stage show with a band, and folk and ballroom dancing.

Newcomer officers Phillip Bivona, Barbara Anderson, Dan Myers, Lucy Collins.

The purpose of the Pan American Student Forum of Texas is set out from the headquarters in Austin, is: "to encourage the student to develop a better understanding of the Americas, based on a more thorough knowledge of the languages and the people of all the countries of the Western Hemisphere; to encourage the learning of Spanish as a medium of communication; to serve as an example of what can be accomplished by the pupils of Latin American and Anglo American ancestry working together in friendliness."

Since our local chapter in Waco High School is affiliated with the state organization, our club endeavors in every way possible to develop these ideals of Pan Americanism and better inter-American relations.

The Personality Development Club, with Mrs. E. A. Bernhausen as the sponsor, helps a girl with all of her most difficult problems. Included in some of the club discussions are date behavior, clothes for different occasions, personal grooming and manners. One of the chief aims of the club is to show girls that they can have friends and overcome timidity.

The programs of the club consist of either a group discussion or a program with one person making a definite change. The groups are made up of twelve girls who are ready and willing to do the best they know how to. The vice-president has charge of the programs assisted by several girls as committees.

We have had one guest speaker and she talked to us about the general rules on applying makeup and the necessity of setting one's hair to the shape of one's face. Also she spoke of the types of clothes to wear for different occasions.

SPRING

Waco High School's Press Club is composed of all the students taking journalism. Meetings are held on the first Monday of each month at the home of the members. The purpose of the meetings is to give the students a broader knowledge of the field of journalism and its vocational possibilities.

Professional journalists speak at each meeting, giving their points of view on the varied phases of the field. These talks may deal with any type of newspaper work, including photography and printing.

By attending the meetings and being active in the club, members of the club may earn letters. These letters are awarded in recognition of service to the Waco.

The lettering of the club members is added to the lettering of new members to Q, J, and Scroll, national honorary society for high school journalists.

The interest in square dancing was so great that another square dance club had to be organized. This club consisted of boys and girls who know very little about square dancing. The club chose the name of Promenaders. They were very eager to learn not only square dances but also folk dances.

At the first meeting Elsie Bryant was elected president with Paul Dean as vice-president and Shirley McAnelly as secretary. After many drops and additions the enrollment finally stood at 24 boys and 35 girls. Mr. Carl Price and Mrs. Bernice Maryfield served as co-sponsors. The social committee chairman was Carolyn Stobbe, program committee chairman was Pat Roppolo, and the publicity committee chairman was Jeanie Hendrick.

The club planned a square dance with a caller, hay and all the trimmings.

SPRING

In 1914 a group of Waco High School English students interested in debating and public speaking founded the Rostra Literary Society. To increase interest and increase competition a group of boys withdrew from Rostra late in 1916 and formed the Forum Debating Society. Ever since, a high spirit of rivalry has existed between the two clubs.

Rostra and Forum conduct debating, radio speaking, declamation, extemporaneous speaking, public reading and essay writing contests.

A big event in the school year is the annual Rostra-Forum football game. This year Rostra won this game 20-0.

The points on the literary events lean slightly in favor of Forum with the decisive debate yet to come. James Sewell and Sam McHenry are a cinch to lead Rostra to victory. We are anticipating the fights at the annual Rostra-Forum banquet this spring.

	<i>Sergeant at Arms</i>	Bill Parish

SPRING

The purpose of the Science Club is to bring students in closer contact with science. The requirements for entrance into the Club are one year of science in high school, and an 85 average or above in all subjects.

A program is given every week by club members on various phases of science. Several field trips have been taken to such places as the water plant and the Bower Museum. Twice a year a group goes to Ft. Worth for the Junior Academy of Science meetings.

Many of the members plan to make some form of science their vocation. Five of the Club members, Vic Oder, Bruce O'Hara, Larry Broadway, Joe Morgan, and Jim Hanner, are members of the Southwestern Scientific Society. Two members, Allen White and Hilary McDonald, are amateur radio operators.

One of the major projects of the Club is the making of exhibits for the school carnival each year. Last year's carnival feature was an electronic foot-trot machine. At the Atomic Energy Show held in Waco last February many members lectured and demonstrated the apparatus.

In these busy times we are often prone to forget the fine arts and their effects on our everyday life. The Sketch Club, organized back in 1936, has constantly since that time sought to revive that interest in its members. I believe that it has made gains along that line in the ever increasing number of new members each year.

For each new project started and completed in the Sketch Club. These projects may vary from the sketching of outside scenes to figures. The subjects sketched range from trees, one of which we witnessed earlier in the year, to volunteer models from our own club.

The Sketch Club members helped the Art Department in building the Christmas float this year and in working with them in the last yard section which we used at our football games. In many ways these two organizations have worked hard in being toward the ultimate goal of instilling in our students the urge to produce a better standard of living by developing creative ability.

SPRING

The Sportsmen Club was organized in the spring of 1952 as a response to a request made when suggestions for new clubs were called for. The sponsor was Mr. Jack Price, popular Kitten Coach.

The 1952-53 edition of this club has 32 members and follows the same general plan laid down at its organization.

Officers were elected at the first spring meeting, Ernest Lenart being chosen as president. A program committee composed of Ray Korenek, Claire Jordan and Clement Picha was appointed and immediately prepared a schedule of programs for the term.

Programs during the year consisted of movies of basketball and football games and talks by prominent coaches and players of various sports. The most interesting part of each program was the discussion period. In this period a report was made of important sports events and news of the week and the members were given an opportunity to praise or criticize the different teams and players.

The Square Dance Club is completing its third year at Wren High School. Its purpose is to teach the fundamentals of square and folk dancing to students and create such an interest in its members that they will want to participate in square dancing for recreation in adult life.

It had become so popular that it was necessary to organize a new club this term. The new club is for beginning square dancers, while this club is for more advanced students.

The main social event each term is a square dance, complete with band and cater when the club acts as host for the entire student body.

SPRING

The Voice Club was organized for students who wished to have some knowledge and experience in solo vocal performance. Many interesting programs have grown out of the realization of these aims by the members of the Voice Club this year.

Each member of the club performed a solo of his choice with the club serving as a clinic group. Other programs gave consideration to such related subjects as stage fright, stage personality, posture, general appearance and vocal development. The club also served as a clinic group for the solo performers of the comedy spectacle "Meet Arizona" presented at Waco High this spring.

Seven guest speakers and performers filled out the schedule of programs for the year. With some first hand information, the club members were given excellent insight into the problems, training, responsibility, pleasure, and benefit that come with solo vocal performance.

Sports

TEMPLE

With the Temple Wildcats getting off to a fast 20-0 lead early in the second quarter, the Tigers fought a losing uphill battle for the rest of the game. A jam packed crowd at Municipal Stadium watched the long rivalry of Waco and Temple with yelling approval and much disappointment, as the Wildcats toppled Waco 27-19. Waco gave the Wildcats a big scare when James Wallace and Raymond Korenek drove over two Bengal touchdowns. Temple scored again to salt the game away, but the Tigers got in one more score with Korenek carrying over. The ball handling of Doyle Traylor and the magnificent play of the whole Temple team showed the Wacoans that the Wildcats had not been overrated.

COACH CARL PRICE

BRACKENRIDGE

Waco's mighty Tigers again came from behind as they subdued the Brackenridge Eagles of San Antonio 14-7. Both teams let as many touchdowns get away as they made, with the game full of fumbles and penalties. The Tigers' first tally came on a 90-yard drive with

Raymond Korenek putting on the climax with an 18-yard scoring run. Korenek converted to make it 7-7. The deciding touchdown came on a pass interception and run back by Joe Bob Gough that carried 43 yards and completed the scoring for the night. Waco's defensive team stopped the Eagle ball carriers with only 90 yards being picked up rushing.

KITTEN COACHES GARDNER AND JONES

ASSISTANT COACHES BUMGARDNER AND JACK PRICE

1. Raymond Korenek breaks away for needed yardage as Austin player comes in for the tackle.

1. Dickson races for 17 yards to the Austin 3-yard stripe.

Joe Bob Gould gets good interference on runback against Woodrow Wilson.

AUSTIN

Using brute power that not even Austin's massive line could stop, the Tigers rolled to a 14-7 victory over the Maroons before a crowd of 8,000 at House Park. The Tigers' running game was able to pick off a total of 300 yards, and completed one out of ten passes gaining 60 yards on the lone aerial. Wallace scored both

Tiger touchdowns and turned in one of his best performances. Korenek was again the workhorse for the night and came up leading ground gainer with 150 yards in 32 tries, this being 22 yards more than the whole Austin team made. Other standouts for the game were John Garner, Melvin Thomas, Paul Dickson, and Bob Clendenen.

BRYAN

With the most important game only one week away, Coach Carl Price kept his strategy on the light side as the Bengals pushed aside Bryan's fighting Bronchos with a 26-14 victory. This kept intact Waco's record of having never lost to a Bryan team. Playing hard, straight toothball the Tigers rolled up a 19-7 halftime lead, with each team adding seven points in the final half. Waco tumbled four straight times before pushing across their first tally. Cliff Hamby, Bobby Haddock, Jim Pate and Ernest Lenart turned in superb performances.

Wichita Falls players down Korenek after short gain.

Bobby Clendennen gets his toe in the ball on the opening kick-off for the Tyler game.

WICHITA FALLS

Waco's district hopes were dimmed when the powerful Coyotes trimmed the Tigers 14-0 in Municipal Stadium. The fighting Bengals gave Wichita Falls troubles galore before going down in defeat. Wichita Falls scored in the first and final quarters with the rest of the game being a fine defensive show. Waco's only threat came in the third period when they took over on their own 33. Korenek and Hamby pushed the ball to the Coyote 15 where the drive ended. The Bengals' chance of winning was crippled when James Wallace went out with an injury the second time he carried the ball.

WOODROW WILSON

The Tigers rebounded from defeat in fine style to smash the Woodrow Wilson Wildcats 14-0. Carl Price's boys started fast with Curtis Spivey grabbing a loose ball on the Wildcat second play from scrimmage to go all the way. Waco's next scoring drive started from their own 33, spurred by the running of Korenek and Walker and the passing combination of Smith to Dickson. The third quarter produced the biggest thrill of the game when Bob Bush broke away for a beautiful 75-yard run, only to have it nullified by an offside penalty. The last scoring threat fell inches short of the Wildcat goal line.

Bob Clendennen
Guard

Emmitt Attaway
Tackle

HIGHLAND PARK

Outplayed for the first half and trailing 7-0, the Tigers came back in the third and fourth quarters to topple the Highland Park Scotties 13-7. Waco's first touchdown came late in the third period when Bobby Gill and Henry Lee Thompson gave Waco possession of the ball on the Scotties 38-yard stripe. Walker's passing and the running of Bush and Korenek put it on the one, and Walker, running from fullback, drove over. Gough's extra-point try was blocked. Waco added the clincher early in the fourth quarter on a great interception and run by line-backer Raleigh Harvey that carried 46 yards for the final score.

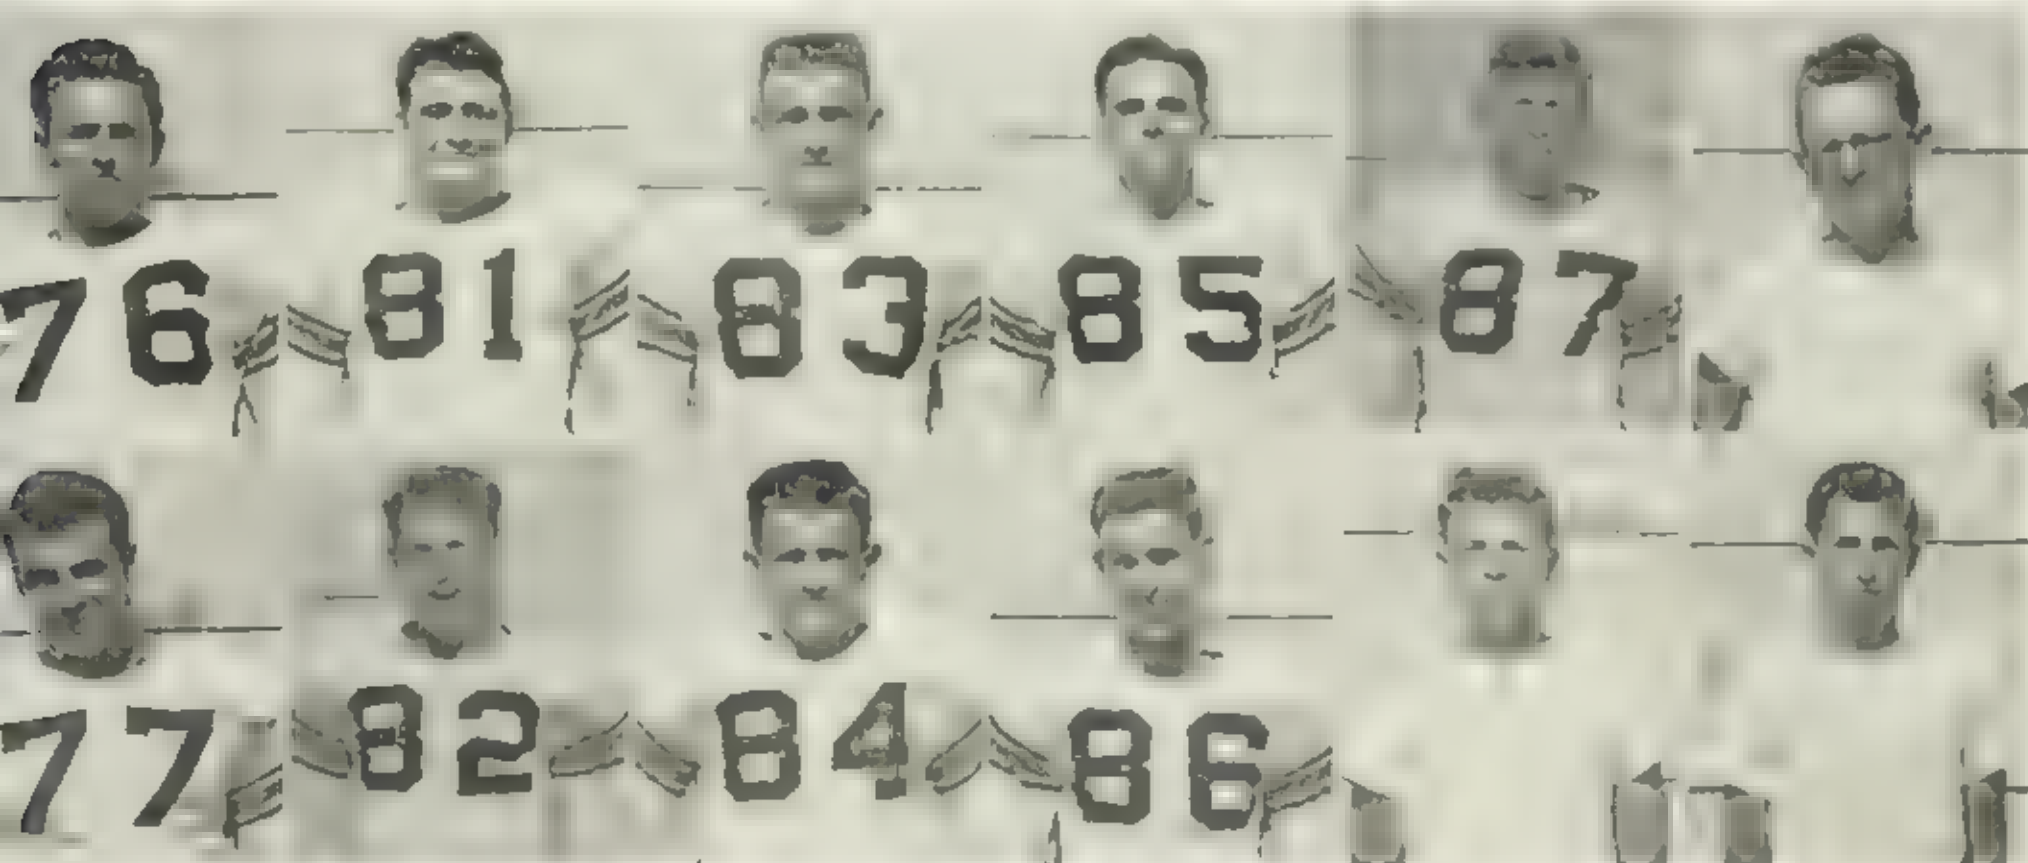

TYLER

The curtain was brought down on the 1952 grid season for Waco's mighty Tigers as they defeated the Tyler Lions 7-0. A slim crowd of 1,800 fans gathered on Thanksgiving Day in near freezing weather to watch the Bengals take second place in District 5 AAAA standings and close the season with an eight won, two lost record. Waco's lone touchdown came on a long pass late in the final period. A vicious tackle gave Waco possession of the ball on the Lions' 24. Then came Jimmy Phipps' pass to Jamie Roberts for the only score of the game and a Tiger victory.

Co-Captains Grady Thompson and Truman Smith, Football Queen Charlene Lux.

The 1952-53 Basketball Season

To open the 1952-53 basketball season the Tigers journeyed to the Bryan Invitational Tournament. In the first round Waco downed the Brenham Cubs 56 to 30, but dropped the quarterfinal tilt to Bryan 57 to 47.

The 'Tigers' home debut was ruined by Sunset of Dallas as they routed Coach Major Keithly's boys 45 to 31. Continuing in pre-district play, Waco dropped decisions to T. M. L., 53 to 38, again lost to Bryan and Sunset, 75 to 46 and 70 to 50 respectively.

Row 1: Merritt, Witt, Dean
Row 2: Kazanas, Phipps, Miller, Walker
Row 3: Harrell, Williams, Dickson, Strength, Thomas

The 'Tigers' opening game in the Dr. Pepper Cotton Bowl Tournament saw them nosed out by Krum 40 to 39. The loss sent Waco into the consolation bracket where they defeated Whiteface 50 to 47. Arlington's battling Colts eliminated the Bengals in the quarter-finals 60 to 51. Jerry Merritt turned in the 'Tigers' best individual performance of the tournament with a 21-point barrage against Whiteface.

COACH R. B. KEITHLY

Waco again lost to Bryan 39 to 36 with Kazanas scoring 14 points. In the first District 5-AAAA game Wichita Falls dumped the Bengals 53 to 31. Dean led Waco's scoring with eight points. Waco's spirited Tigers ended their losing streak at the expense of the Corsicana Bengals. Steve Kazanas, Kirby Harrell, and Paul Dean paced the Tiger attack in blasting Corsi 57 to 41.

Manager Terry Henry

As district play again got under way the Waco five lost successive games to Highland Park's favored Scotties 46 to 38 and to the Tyler Lions 60 to 47. Kazanas again came up the leading Tiger point maker with 13 points against Highland Park and turned in a tremendous 25-point performance that led all scoring in the Tyler game.

The Tigers were able to pull out of the losing column once again at the cost of the Corsicana Tigers. The Bengals toppled Corsi 59 to 42 for their fourth and final victory of the season. Wichita Falls handed the Tiger quintet their fourth district loss by a 43 to 39 score. Kirby Harrell and Paul Dean led Waco's scoring with 11 points each.

PAUL DICKSON
Center

CHARLIE THOMAS
Forward

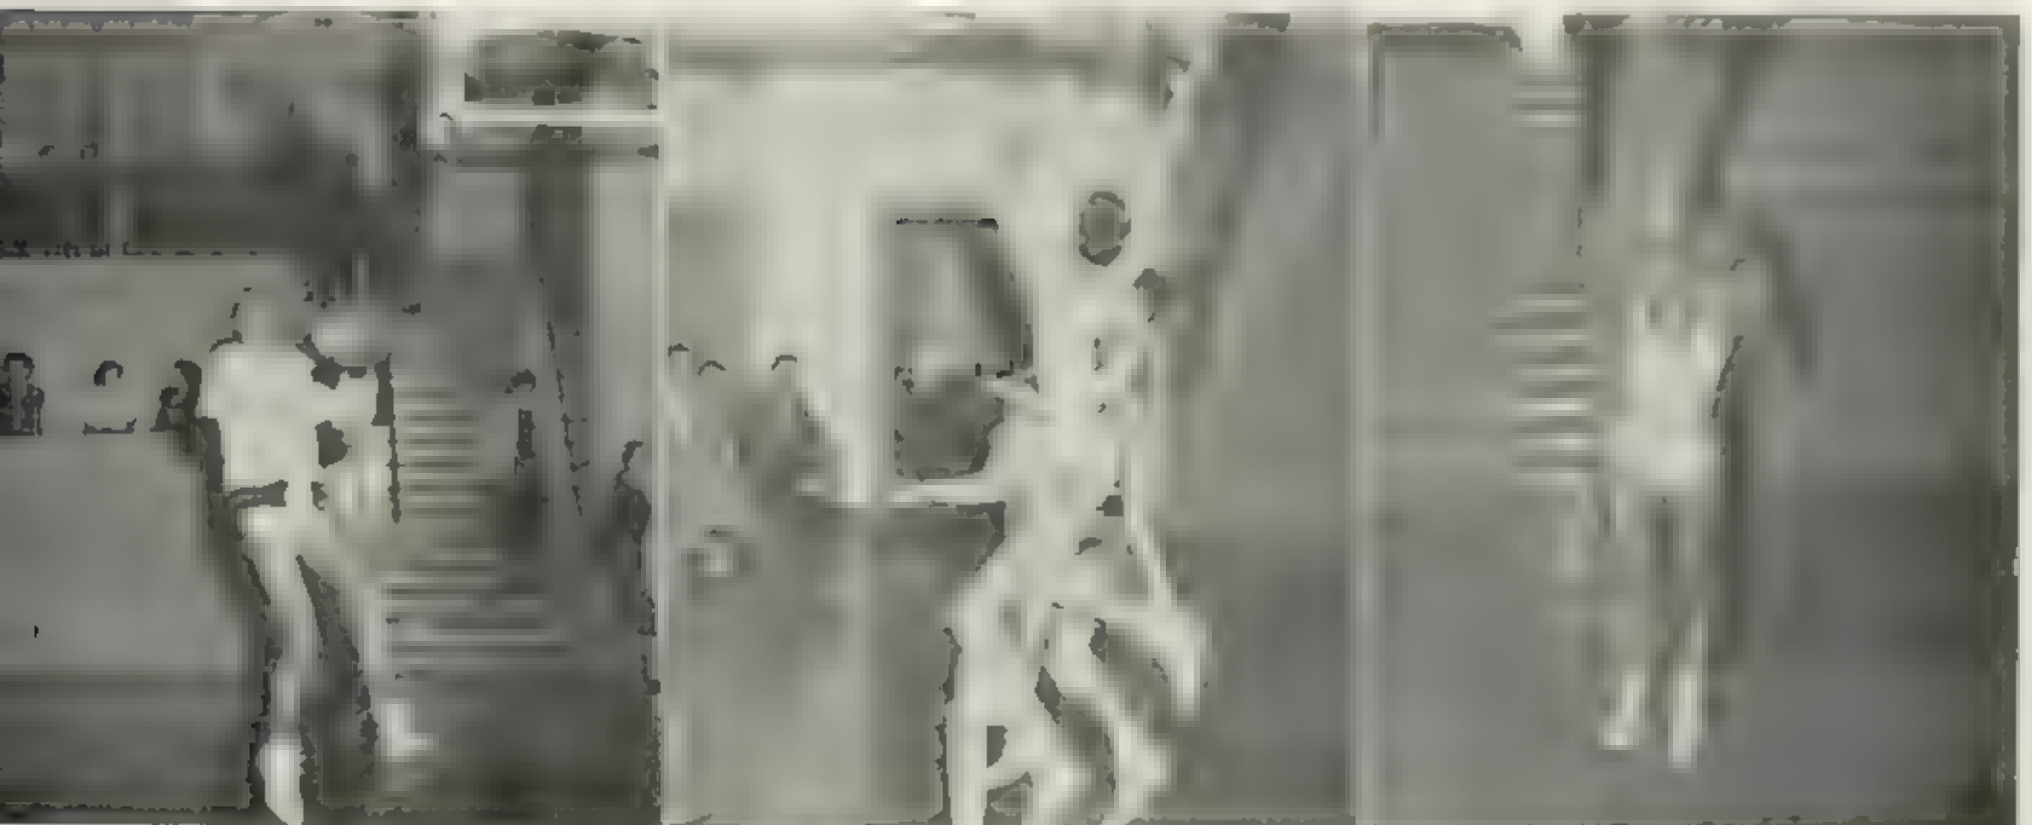

Temple's touted Wildcats breezed to a 50 to 40 victory over the Tigers in the Waco High gym. Steve Kazanas and Paul Dean led the Bengals' scoring with 11 and 10 points, while Jimmy Phipps and Paul Dickson turned in fine floor play. Paul Dean's 17 points led all scorers, but the Tyler Lions downed Waco 66 to 44. Temple again tripped Waco by the lopsided score of 60 to 32. Jerry Merritt and Steve Kazanas paced the Waco five with six points each. The Tigers closed their 1952-53 cage season bowing to the Highland Park Scotties 50 to 41.

Although the Tigers finished on the short end of the win column, they can be termed as one of the hardest fighting Tiger teams. The four seniors that received letters are W. J. Strength, Steve Kazanas, Matt Miller, and Cleveland Witt. The five returning lettermen for next season are Kirby Harrell, Jerry Merritt, Charles Thomas, Paul Dean, and Paul Dickson. Steve Kazanas led Waco in the scoring department and made the all-district team. The whole Tiger team showed marked improvement and hustle during the season.

GIRLS' TENNIS

Coach: MRS. BERNICE MARYFIELD

The girls' tennis team is composed largely of returning numbers from last year. They are Shirley Bunn, Barbara Cox, Barbara Johnson, Olga Ann Reichert, and Jo Clair Moser. Joan Barzak and Nancy Pederson moved up from the junior team. The two new numbers are Pat Gregory and Eleanor Jones. The junior team consists of Jerry McGaughey, Joan Hunter, and Sue Laine.

During the season the team encountered Temple three times. Temple won the first matches and Waco won the other two.

The girls who are vying for a place on the teams to play in the Interscholastic League Tournament are Shirley Bunn, Barbara Johnson, Barbara Cox, and Joan Barzak. From these, one singles and a doubles team will be chosen.

BOYS' TENNIS

Coach: MR. E. B. JONES

The Waco High School boys' tennis team has six of its eleven members returning from the 1952 team.

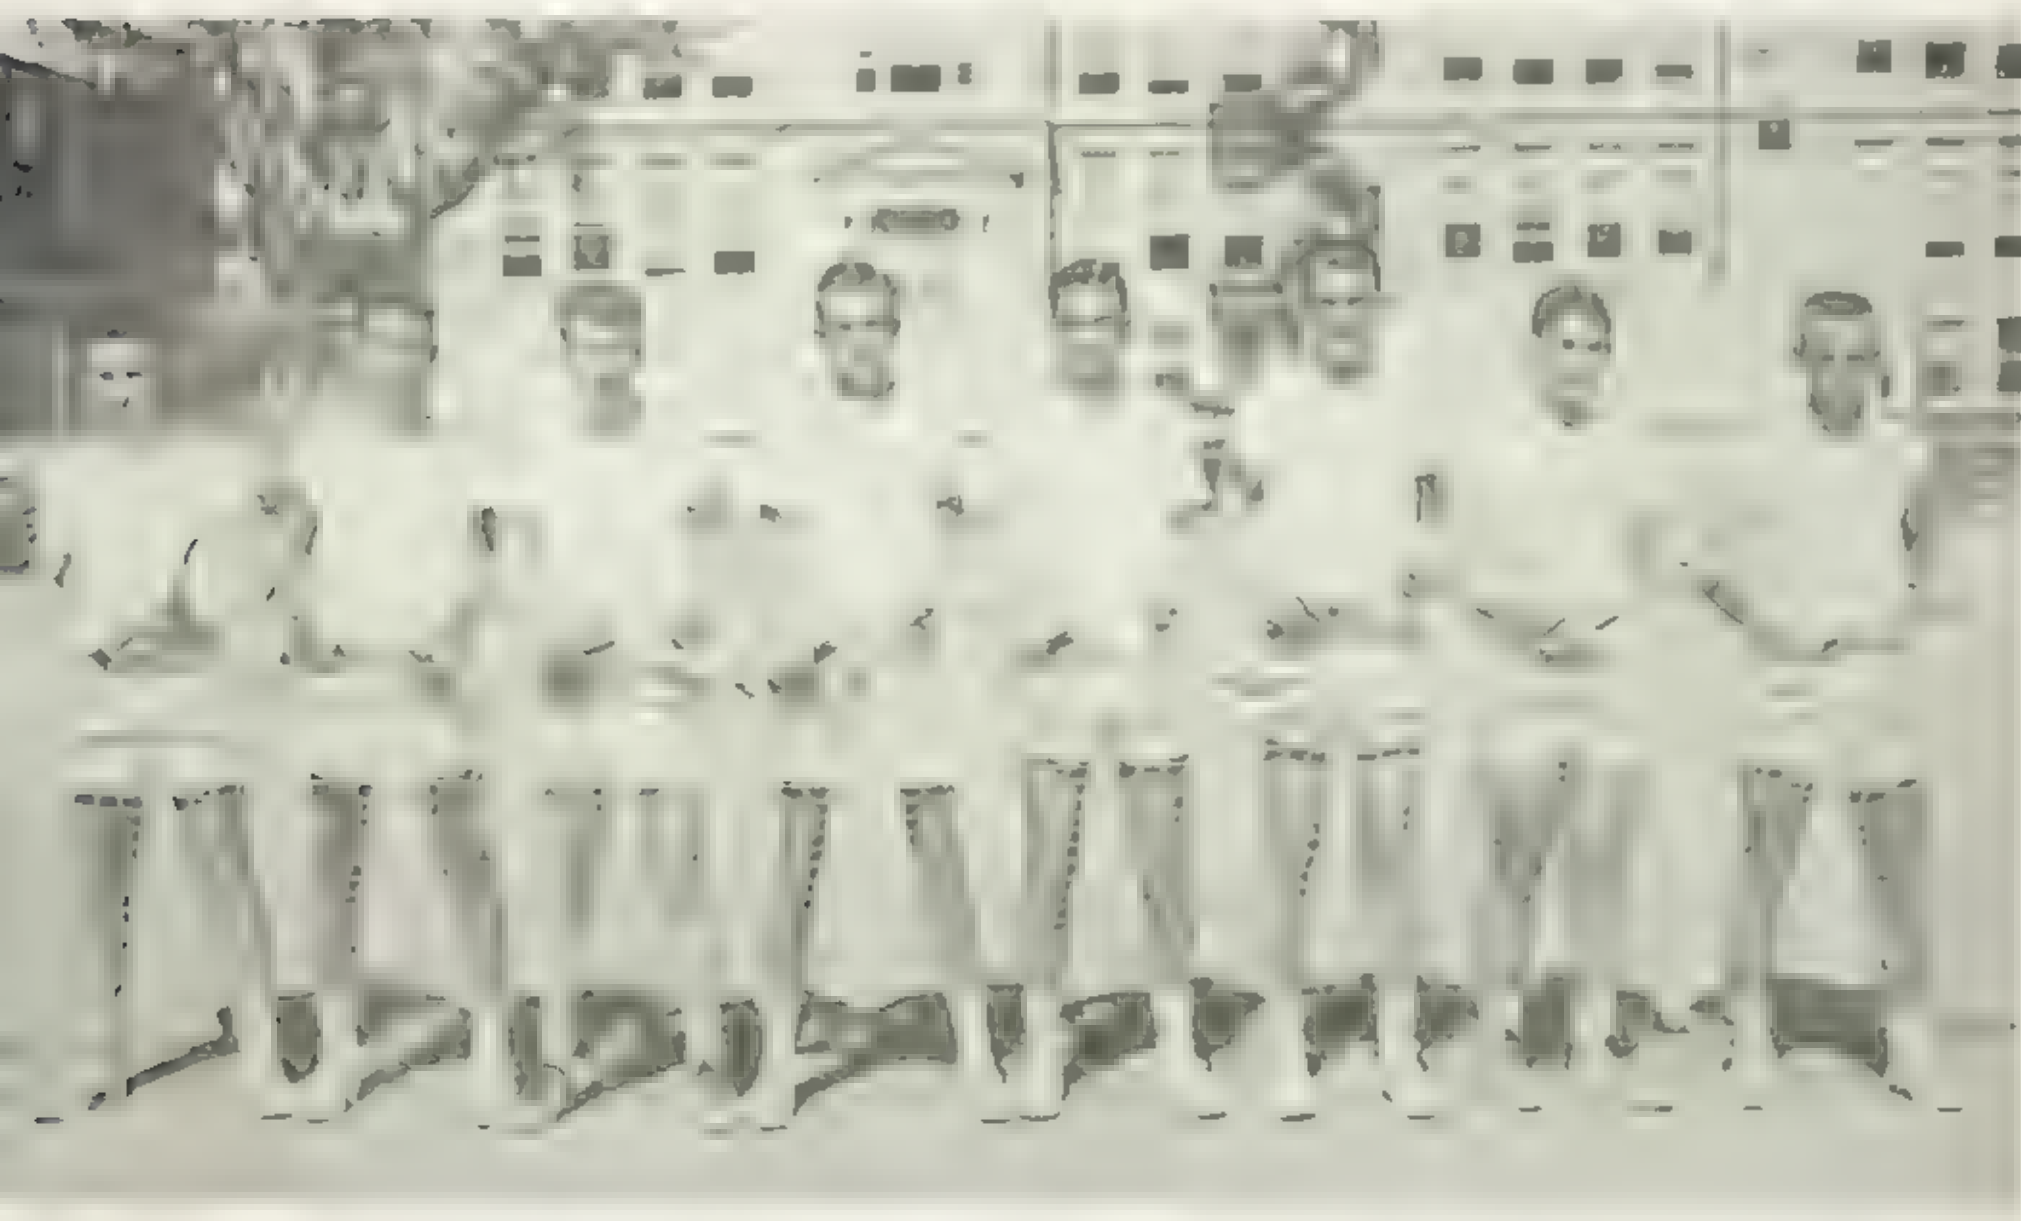

The senior team consists of lettermen Don Gill, Bill Rogers, Searcy Craven, Barrett Denton, Bobby Mosley, and Jimmy Alexander, with newcomer Clifford Brown completing the squad.

Don Gill will represent Waco in the East Texas State Invitational Tennis Tournament, will represent Waco in the Texas State League singles Bobby Mosley and Clifford Brown together in the singles team while Bill Rogers, Searcy Craven, Jimmy Alexander, and Barrett Denton make up the doubles teams.

The junior singles team is made up of David Rogers and North Junior H. East and Frank Levy. Representing WHS in the junior doubles are David Werner and Bob Greer.

Waco will compete against Cleburne and Temple in the district.

Bob Greer, Bill Rogers, Searcy Craven, Don Gill, Jimmy Alexander, Barrett Denton, Bobby Mosley, Clifford Brown

Row 1: Noack, Koen, Taylor
 Row 2: Irwin, McMahan, Balch, Scott
 Row 3: Walker, Winter, Riley, Black, Weathers, Rhodes

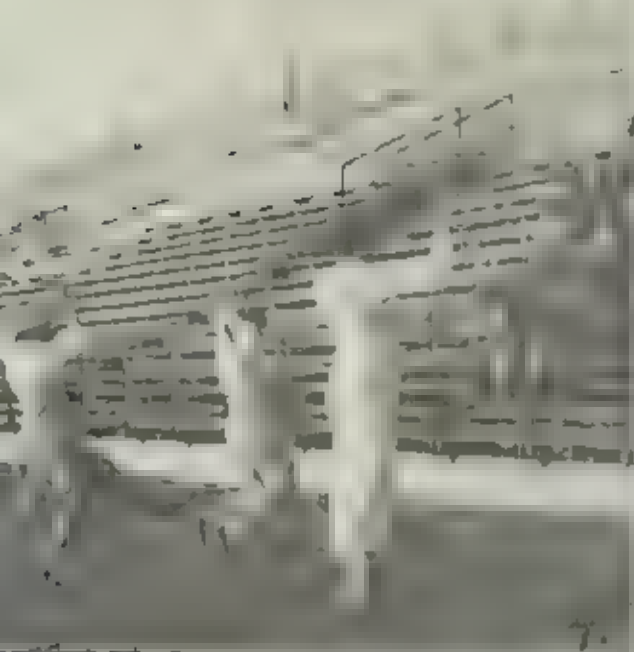

GOLF TEAM

Coach: MRS. LOUIS BATT

The Waco High School golf team has played in five tournaments this term, twice at Waxahachie and three times in Waco. In the trips to Waxahachie, Waco was runner-up in the December tournament and fourth in the January tournament. Waco was also runner-up in all three tournaments held at Ridgewood Country Club in Waco. The winning teams and the low medalists were awarded silver golf balls.

Waco was invited to Fort Worth, Mexico, Athens, Carscadd, and Marlin, but could not play because of the bad weather this winter.

Waco High School was represented in the District GAA golf meet held in Waco at the Ridgewood Country Club on April 18 by Bill Scott, Donald McMahan, Don Irwin, and James Balch, who composed the number one team. The number two team was selected from Lee Riley, Jesse Weathers, Joe Winter, Bernard Koen, and Richard Noack.

1. Seen on the tennis courts—Barbara Cox, Jo Claire Moser, Eleanor Jones, Olga Ann Reichle, Pat Gregory, Joan Barzak, Clifford Brown, Jerry McGaughey, Nancy Pedetson, Barbara Johnson.
2. Golfer Bill Bauer.
3. The band attends the spring training football game, arrayed in complete disuniform.
4. Ex-yell leaders Shirley DuPriest, Catherine Burch and

5. Golfers Ross Wacker, Jesse Weathers, and Walter Terry Black, Sonia Rinke, and Pat Murray supervise initiation of Pat Kelly.
6. Badminton champs Jimmy Sinclair and Livingston Kosberg.
7. 108 P. E. classes get hearing test.
8. Baseball and track teams make their daily trek to Muny Stadium.

1. Miss Meredith's first period class at the gym.
 2. The girls of the P. E. class at the gym.
 3. The girls of the P. E. class at the gym.

Amicable Building

"How on earth did you break your leg?" a solicitous friend asked the man on crutches.

"Well, you see it was this way;" was the answer, "I threw a cigarette butt in a manhole and stepped on it."

—o—

"Who can tell me what the former ruler of Russia was called?" the substitute teacher asked Harold Purvis.

"Tsar," came the answer.

"Yes; and what was his wife called?" she asked.

"Tsarina."

"What were the Tsar's children called?" she asked.

There was a pause, and then Harold piped up eagerly, "Tsardines!"

ELECTRICITY

DOES SO MUCH FOR SO LITTLE!

"If yours is a typical home you have let me help with more jobs than ever before... such jobs as cooking your food, running your washing machine, food freezer, blankets, sewing machine and many, many others. Your electric bill is no longer a light bill but an electric service bill and today the

average cost of
TP&L electric serv-
ice is even lower
than before World

War II, although prices of most other serv-
ices and commodities are up from 50 to 100
per cent. Where else can you find so econom-
ical a servant, that does so little to make liv-
ing more enjoyable, for so little money?"

**T.P.&L.

The general storekeeper, Bob Barnett, in a sleepy mid-western village was playing checkers with Jerry Malesovas in the back room of the shop.

Someone came in by the front door, and Jerry said:

"Bob there's a customer in the store."

"Just keep your mouth shut, and don't make any noise," Bob answered. "Maybe she'll go out again."

If you have the courage to resist the temptation to take a little job and thus tie yourself down to a little life, in favor of going to school and preparing for something worthwhile, you will not merely THINK ABOUT IT but actually DO IT—very soon.

We invite you to visit the National School before making your choice of Schools.
